### THE PURDUE SERIES

Today's game is the 24th between the Buckeyes and Boilermakers with the series standing 14 to 7 in favor of Ohio State. There have been two ties. The first game was played in 1919. Ohio State won last year 13 to 0 following a 41-6 Purdue victory in 1967. Coach Woody Hayes' record with Purdue is 5-3-1.

16,000,000 Fans Have Watched Bucks Play Here

After Ohio State University was admitted to the Western Conference in December 1912, interest in football increased to the point that old Ohio Field, with its 14,000 capacity, was unable to accommodate the crowds. Pressure for a larger stadium mounted with Buckeye championships in 1916 and 1917.

World War I temporarily arrested the growing desire for a new stadium, but in 1919 University athletic officials laid plans for a dream structure.

In October, 1920, the Stadium campaign was waged. More than 13,000 people pledged gifts totaling \$1,083,000.

Construction began in August, 1921, and by September, 1922, the structure was virtually completed, a gigantic task finished in 13 months. The construction cost was \$1,341,000 and the original capacity was 66,210. A crowd of 71,385, largest at the time in mid-west history, watched the dedication game with Michigan, October 21, 1922.

The Ohio Stadium has unusual design. It is a double-decked, horseshoe-shaped structure, with towers on each of the open ends. The circumference is one-third of a mile and the ground area is 10 acres. The Stadium is 752 feet long and the height of the back wall is 98 feet.

There are 56 stairways, 12 ramps and 112 aisles feeding 81 exits. A capacity crowd can clear the Stadium in seven minutes. As many as 2,500 employees are needed to handle the large crowds.

Temporary field bleachers and south stands have added additional seats and minor changes have taken place within the Stadium itself to raise the present capacity to 81,455.

Dormitories, an elevator and a modern press box have enhanced the Ohio Stadium without materially changing its appearance or altering its architectural motif.

With the conclusion of the 1968 season 15,777,494 people had watched the 258 football games during the 47 years of its existence. After the first four games this year, approximately 345,000 additional fans have seen the Buckeyes, bringing the total to more than 16,000,000.

Alumni Awards For Distinguished Teaching

Through the Alumni Association and the Ohio State Development Fund, eight annual awards have been provided to "recognize and give evidence of the importance placed on superior teaching in the University and to provide encouragement and incentive for teaching achievement."

The Awards for 1969-1970, including cash awards of \$1,000 each, will be presented by the President at a ceremony in his office and later announced at the Commencement exercises.

All faculty members engaged in teaching and on full-time appointment, with the rank of instructor through full professor, are eligible for consideration. Previous recipients of the award are not eligible, but any person who has been previously nominated may be nominated again. The awards are to be based primarily on teaching achievement, although scholarly activity and productivity as reflected in the quality of the teaching and its impact on students will be taken into account.

Nominations may be made by students, faculty, and alumni and will be accepted up to and including January 10, 1970. A committee of undergraduate and graduate students will evaluate all nominations and submit the names of twenty to thirty nominees to the Committee on Awards for Distinguished Teaching. The members of this Committee, who are appointed by the President, will make the final selection of recipients for 1969-1970.

### COLLEGIATE COMMISSIONERS ASSOCIATION

Early in 1939 five college football commissioners established an organization for the purpose of attacking mutual problems. From that small beginning has grown what is now the Collegiate Commissioners Association, its members the chief executive officers and their assistants from the eleven major college conferences from coast to coast. Representing 276 institutions (including all but four of the NCAA's 118 major football-playing colleges and universities), they range in size from the seven-member Mid-American Conference to the mammoth 190-member Eastern College Athletic Conference.

The CCA's field of interest has broadened greatly since its inception, now encompassing not only football, but all sports on the collegiate program. The members as such give united attention not alone to officiating assignment and rules interpretation, but also to procedures on undergraduate athletic recruitment and eligibility and to the many other facets of intercollegiate sports administration.

**Hundreds of thousands

**On Astro Turf,<sup>®</sup>  
Monsanto's amazing nylon field.**

PAT. NO. 3332828

Even the best natural turf fields can't give players and fans—as well as schools, colleges and cities—all the advantages of AstroTurf. Here's why:

#### Better-than-grass footing.

The Astro Turf field gives your team faster, surer footing—rain, sleet or shine. Players can cut sharper, run faster. Kickers can concentrate on the kick without worrying about footing. And quarterbacks can get set faster, and pass better—and they can see their receivers more clearly.

#### No mud. Ever.

Nylon AstroTurf can't turn to mud. Even if it rains buckets, your team

has the footing to play fast, precision football—and keep on passing. Another advantage of the mudproof field: you'll always be able to tell who's who, because uniforms stay clean and bright all game long.

#### Fewer injuries.

Player's cleats can't lock in AstroTurf so player's feet are free to move when hit, eliminating the twists and wrenches responsible for most knee and ankle injuries. And with fewer injuries, there are fewer time outs to delay your game. AstroTurf helps take the crunch out of hard falls, too. With a thick shock-absorbing pad just underneath the

layer of grasslike AstroTurf nylon. Sure, there are some injuries on AstroTurf, but not as many.

#### Tremendous stamina.

An AstroTurf field can be used 24 hours a day, 7 days a week. For lots of things besides football, too. This can mean great dollar savings for schools, colleges and cities faced with a growing land squeeze. AstroTurf can take all you can dish out.

#### Amazing AstroTurf.

Maybe your school will have it soon. Want more information? Write Monsanto, AstroTurf, Dept. D, 800 N. Lindbergh Blvd., St. Louis, Mo. 63166.

# Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® *Lektro Blade* shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new Lektro Blade shaver has very sharp disposable blades. Just like a razor. So it gives very close shaves. Just like a razor.

What's more, you can dial a Lektro Blade shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives. \*SPERRY RAND®

“OFFICIAL WATCH FOR THIS GAME — LONGINES — THE WORLD'S MOST HONORED WATCH”

Chrysler weather has arrived. Falling leaves take off on the wind—and our 1970 Chrysler Corporation lineup takes the field.

For a starter, Plymouth 1970 makes it with the Rapid Transit System: The fabulous Barracuda Series. Valiant Duster 340. And the imperturbable Plymouth GTX.

Or you could be Dodge material. Find out

with a run in the cars with the bumblebee stripe: The Challenger. Charger 500. Dart Swinger 340. Coronet Super Bee.

The loaded lineup. Performance on wheels, waiting for the moment you take over.

And while you're thinking about it—relax, sit back and enjoy the game.

# THE SUNBEAM FASTBACK

TEST SHAVE A FASTBACK SHAVER. NEWEST SLANT ON SHAVING!

## FAST FINISH!

Here comes the Fastback! Newest slant on shaving from Sunbeam. Never been a shaver like it. Dual slanted heads cover more ground faster. Six beard-whacking blades meet your whiskers at a better angle. Long hair slots for better pick-up. The Fastback plays it fast and close—easy through the curves—steady on the flats—right down to the finish with a barber-type trimmer. Cord model or free-wheeling cord/cordless. The winner in the face race.

# When you're out of Schlitz, punt.

Of course, you'd never get your signals that mixed up. Out of Schlitz? Ridiculous. Schlitz is the beer that's golden aged. Schlitz brings

you NFL football all season long on CBS television. When you're out of Schlitz, you're out of beer. Kick that around.

# FAMOUS FOOTBALL BLOOPERS

*... be a goat to be remembered*

by LEE MUELLER, Newspaper Enterprises Association

APART from the Knute Rocknes, Red Granges, Centre 6 Harvard 0's, Tom Harmons and O.J. Simpsons, college football's most remembered moments generally coincide with visions of cloven hoofs and varlets in striped shirts.

All hail, gentlemen, the goat. Poor old goat, fumbled on the goal line in the Wisconsin game, remember? His kid's all right ... he can't help it if his old man pulled a boner.

Enter now the referee. College football teams are named after Wolverines, Wildcats, Longhorns and even Tigers. But a referee wears a garment bearing the insignia of a skunk. (Chorus of boos from crowd.)

We are told that human nature kindly endows us with the tendency to suppress unpleasant memories and recall more vividly the happier experiences. Unfortunately for the individuals involved, this particular information does not apply to intercollegiate football.

Time and wry grins have proven that blunders sometimes outlive heroics. Men, being men, can forgive a mistake but they rarely forget it.

Who can (or will) forget California's Wrong-Way Roy Riegels, running 69½ yards to his own six-inch line in the 1929 Rose Bowl to set up a Georgia Tech victory?

## Five Downs Decisive

And who doesn't remember Referee William H. (Red) Friesell, Jr., who gave Cornell five downs to score the winning touchdown over Dartmouth in 1940?

Or Alabama fullback Tommy Lewis, yielding to frustration and leaping from his seat on the sidelines to tackle Rice's Dick Moegle as he raced toward the Tide's end zone in the 1954 Cotton Bowl?

And, more recently, Kansas' repeated 12-man defensive formations

in last New Year's night's Orange Bowl, which, when finally detected, gave Penn State a second, successful opportunity to score a two-point conversion that meant victory?

The Jayhawks remember. While Penn State was gearing up its last offensive thrust in the final quarter, Kansas was sending in its defensive goal line team. And, through a misunderstanding among Jayhawks on the field—two came in, one went out—college football collected one of its better boo-boos.

Game films show that during the last 80 seconds, Kansas, ahead 14-7, conducted a brilliant goal-line stand by using 12 men against Penn State's 11. Twice the 12-man defense threw back Penn State runners. Then the Lions' quarterback managed to score on a broken play. It was not until the two-point conversion try (which Kansas also squashed) that an official, Foster Grose, noticed there were several white-shirted Kansas players on the field—like a dozen or so. After deflating the joyful Jayhawks with news of the penalty, Grose stepped off 1½ yards to Kansas' 1½. This time Penn State, no longer outnumbered, scored on a sweep and won, 15-14.

The overpopulation of Jayhawks probably ranks as the most prominent bowl boner since Riegels' wrong-way run. (Alabama was already out of the game when Lewis made his impromptu tackle.)

## "Stop, Stop"

Riegels' flight to perverse fame began when he picked up a Tech fumble on the first bounce and started to run with it (which today's rules would not allow), turning toward the enemy's goal line. He took a few steps, spun to avoid being tackled and, eureka, an open field lay before him.

A center on the verge of scoring a touchdown in the Rose Bowl, Riegels streaked downfield toward his own end zone, grinning. Behind him came teammate Benny Lom, shouting.

"Stop, stop!" screamed Lom. "You're running the wrong way!"

At the 10-yard line, Lom caught him, but Riegels shook him off. At the three, Lom grabbed him again and this time held on. Riegels finally realized something was wrong and turned around. A wave of gleeful Georgia Tech players knocked him down.

There was no score at the time and a good punt might have saved Riegels some shame. The ensuing punt, however, was blocked, producing a safety that gave Tech its eventful 8-7 victory margin.

## Outcome Reversed

Referee Friesell's faux pas did not create such lasting damage. Although Walter Scholl's touchdown pass to Bill Murphy on the fifth down was the last play of the game and gave Cornell a momentary 7-3 win over Dartmouth, it didn't stick.

The Eastern Intercollegiate Football Association observed that since Cornell should have lost possession of the ball on Dartmouth's five-yard line a few seconds before the game ended, Dartmouth should be declared the winner.

Cornell readily agreed in a wire from President Edmund E. Day. The decision marked one of the few times in intercollegiate football's history that a game's outcome was reversed after its completion.

Tommy Lewis' tackle also was of an innocuous nature. Moegle was awarded a 95-yard touchdown run as Rice won easily. The incident only served to focus unwanted attention on Lewis, wherever he went.

It was not the first time a runner had been tackled from the bench, nor the last, but the memory of Tommy Lewis lives on. "I got more than 500 letters from people," he said, "some good, lots bad."

There have been less-publicized boners in college football, many of more importance. There was, for example, that day in 1960 when Louisiana State University quarterback Jimmy Field got up off the ground and discovered that his wrist band was gone.

All it contained was a complete outline of the LSU plays. Field told his coach, Paul Dietzel, and Dietzel reported the loss to the referee. At the end of the half-time intermission, the official brought the missing wrist band to the LSU dressing room.

"Where did you find it?" asked Dietzel, obviously relieved. "In the Florida dressing room," replied the referee.

Florida shut out LSU in the second half and won, 13-10.
